

# MEMBERSHIP COMMITMENT:

---

1. The Bible is God's revelation of Himself to us and I accept it as the authority over my life.
2. The God that Scripture reveals has existed forever as a Trinity--God the Father, God the Son (Jesus), and God the Holy Spirit.
3. Humanity was created to live in perfect relationship with God, joining in the fellowship of the Trinity. However, the first humans rebelled against God and chose to live outside of God's perfect rule.
4. As a continuing part of that rebellion, I am in my natural state sinful and separated from God. Because of my sin, I have earned God's wrath towards me and an eternity in hell.
5. Jesus is the Son of God who died in my place, for my sin, earning me God's grace and relationship with Him forever. I have been saved by God's grace through faith in the life, death, and resurrection of Jesus. My salvation is not a result of any of my actions, good works, or morals.
6. I have been sealed by the Holy Spirit for salvation and empowered by him for mission and service.
7. Jesus will one day return to rescue his church and judge his enemies. All those who have trusted in something or someone other than Jesus will be separated from God for eternity. As a part of God's church I am sent to proclaim the gospel so that as many as possible might be saved through Jesus.
8. Having placed faith in Jesus as Savior and Lord, I will seek to foster my personal relationship with Him, allowing the gospel to saturate every aspect of my life.
9. I will actively pursue deep, genuine relationships with others in the Mill City family through regular participation in Sunday Gatherings and by committing to a Community Group – where I can serve others and ensure I am surrounded by people who love Jesus and love me.
10. Confession and repentance will noticeably mark my life. I fully expect to be confronted and corrected as God allows other members of the family and my Community Group to see sin in my life. I submit to care through the process of church discipline as overseen by the elders and carried out by my church family.
11. I expect relational difficulty as I seek genuine relationships with other sinners saved by grace, but will actively fight against gossip, drama, bitterness, and relational weirdness. I will work towards reconciliation in all conflict, seeking always to live at peace with others in the Mill City Church family.
12. In my everyday life as a part of a Community Group I will intentionally live for the advancement of Jesus' mission of redemption on earth. I will actively seek to display the gospel through my life and words by the power of the Holy Spirit.
13. I will practice and grow in generosity by financially supporting Jesus' mission and church in Columbia and the world. I will consistently and sacrificially give towards the fulfillment of Jesus' mission through Mill City Church and to Mill City family as they may have need.
14. I agree with the beliefs and values of Mill City and gladly submit to its leadership. I will approach the leaders with any questions or concerns that I may have.
